

# The BOAR Buzzard

Lift 2,000 lbs. with Almost No Effort

Do the work of 3-4 people  
in less time with 1 machine.

## Optimum Productivity

One person can handle removal of an animal, freeing other employees to continue their duties critical to keeping your organization running profitably.

## Superior Quality

- Sturdy Build & Reliable Operation
- 4-Wheel Steering
- Powerful 12V 4000 lb. Winch
- Bed raises and lowers for convenience

## Profit Minded Features

- Rechargeable Battery Power
- Could pay for itself by avoiding just one injury
- One Year Warranty

The Boar Hearse, (pictured at left, attached to a Boar Bot) is an available option for those customers that already own the Boar Bot. Providing the same functionality as the Boar Buzzard for dead animal removal.

raise & lowers

4-wheel steering

## What customers are saying...

"This Boar Buzzard works great and saves your back! I don't want myself or any of my guys to be injured taking out a dead animal. It used to take 3-4 guys to get one out, now it takes one."

- Mike Inness - Galesburg, Illinois.

## Swine Robotics Inc.
