

# Multi-Bot 3.0

Move, Remove, Lift & Carry With Ease!

FOUR MACHINES  
IN 1 ONE

The Multi-Bot 3.0 was engineered from the ground up to do many tasks on the farm. It's universal attachment system allows a unique attachment for each job at hand. The optional attachments go on easily with just 1 pin.

This nearly indestructible machine out weights the competition coming in around 700 lbs. With it's 16 wheel drive, and compact size of 21 1/2" x 39", the Multi-Bot out maneuvers, out powers & out smarts the competition.

Let the Multi-Bot 3.0 move, remove, haul & carry your work load with ease!

## Boar Mover:

Lead or push 2 or more boars at a time for artificial insemination.

## Back Saver:

Remove large dead animals with ease and without using humane ballasts to keep machine upright and stable.

## Attachments For All Your Needs!

Platform/Tabletops to haul heavy equipment, feed & tools! Holds up to 1000 lbs.

Universal crane attachment, can rotate 340 degrees, extend/retract up to 18 in to fit unique and difficult environments, and can crane forward to pick up heavy items, and pivot back for full stability & control.

Grab hook & snatch block included.
